

## WPS TRAIN-THE-TRAINER WORKSHOP

### Dear Potential WPS Worker or Handler Trainer:

The Arizona Department of Agriculture announces the upcoming Worker Protection Standard (WPS) Train the Trainer courses scheduled for November 20-21, 2008 at Yuma, AZ. The workshop will be held in Spanish on November 20<sup>th</sup> and in English on November 21<sup>st</sup>. This workshop qualifies individuals to be trainers of workers and/or handlers on the Worker Protection Standard.

### Workshop Location:

**Booth Machinery Inc.**

6565 E. 30<sup>th</sup> St.

Yuma, AZ

### Course Length:

### Who must be in Compliance?

Anyone who uses pesticides and has employees is potentially subject to the requirements of the WPS. If using pesticides on a **farm, forest, nursery, or greenhouse** you need to understand and follow the requirements of the WPS. The WPS is a federal law; however, most states, as is the case in Arizona, have adopted the federal standard along with some additional specific state requirements. (The additional requirements will vary from state to state).
